

CD JEWEL CASE BOOKLET PAGE TEMPLATE

CD BOOKLET COVER

Turn all non design layers off when saving as *.tif or *.jpg

Allow for a 2 mm bleed on all edges of your design except the joining edge

Do not place text or important graphics against the edge of the printable area; allow a 2 mm safety margin around your design

The cover should be laid out as a 4 page booklet as shown

The contents pages should be supplied individually in page order (not joined as pairs); remember to leave alternate left and right joining edges without bleed; the number of contents pages will need to be in multiples of 4 (8-16-20) up to a maximum of 36 pages
